SPEEDY Brief

January 2024

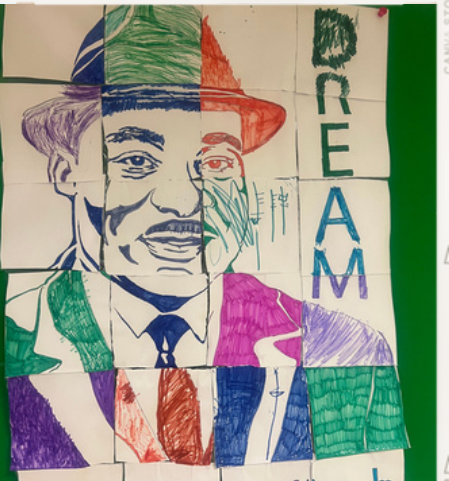

We Are 100 Days Smarter!

ELC's staff and students celebrated the 100th Day of School with fun activities and being 100 years old!

Dr. King Art Work created by B-116 students!

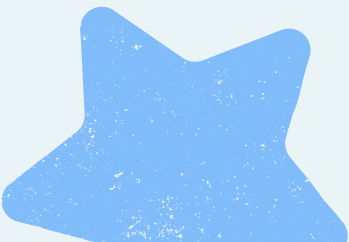

MSI with the Nob Hill Class

The Nob Hill Satellite Class went on a schoolwide field trip to the Museum of Science and Industry sponsored by Nob Hill, District 144.

Happy New Year!

ELC started off 2024 practicing all our skills we learned in 2023!

JANUARY 2024

Showcasing My Skills

PAL students are showcasing their skills at the smartboard demonstrating their math abilities.

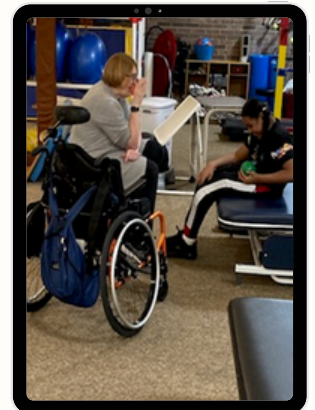

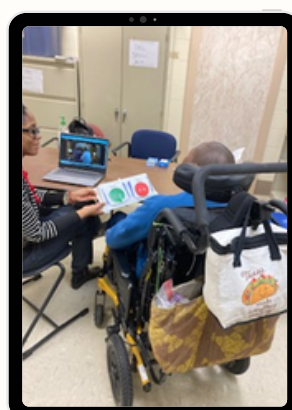

Look At What I've Earned!

Students were excited to receive their awards for their hard work at our awards assembly. They won awards for Math, Science, Reading and Technology achievements.

Learning, Growing and Developing

PAL students spend the day learning and developing new skills in all aspects of the program. Whether in the classroom or with related services, students are developing and honing their life skills.

Kijai Moreland - Program Supervisor
David Hook - Assistant Principal

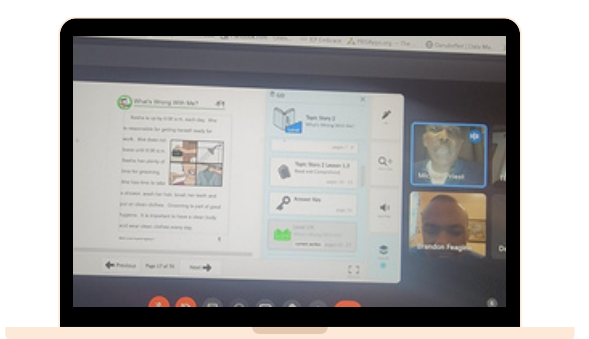

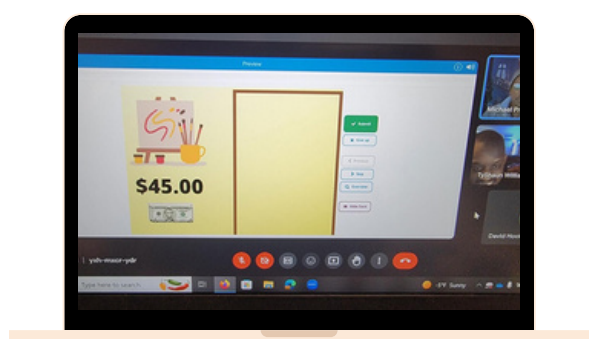

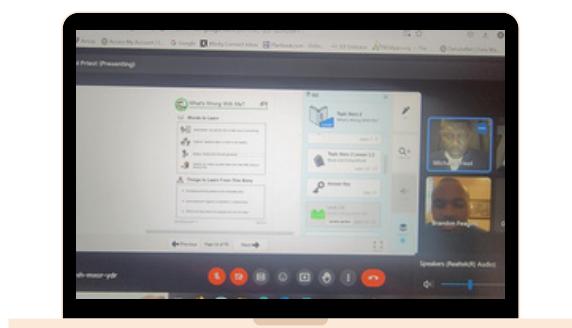

Holiday Fun!

Academy students enjoyed their last couple of days in December. All students and staff participated in the holiday show led by Ms. Karli Grace. Everyone truly enjoyed Mr. Priest's performance of "Your A Mean One, Mr. Grinch." On the last day of school, the Academy went on a field trip to Lynwood Bowl and had a pizza party upon return.

Remote Learning

Just because there was extreme weather in the Chicago area, didn't mean that learning stops for the Academy! Staff provided synchronous learning for students through the Google Meets platform. Students received learning packets to work on during this time as well. Service providers also logged on to provide virtual therapy.

NWEA-MAP Testing Completed!

Our students just wrapped up their MAP assessment for the Winter of 2024. We are so proud of all their hard work and diligence as they completed this assessment.

Student Profile

- Get a complete picture of a student's growth and performance in one interactive report
- Set goals with students
- Gain insights into what a student's strength and opportunities are

PBIS Is In Full Bloom!

Our students are receiving Eagle Bucks to spend in the PBIS Store once a month. February is going to be an amazing month while we work on students showing off their abilities to be responsible!

Teachers have taught the skill and our students are showing what they know!

Go Eagles!!
